To whom it may concern,

Re: Transfer of business. HC Financial Limited - Central Bank of Ireland Registration C6924 to NFP Ireland Consultants Ltd (NFPIC) - Central Bank of Ireland Registration C42649

Firstly, we would like to thank you for your continued support of the HC Financial team. We are pleased to announce some positive news. As a valued client, we wanted you to be among the first to know that subject to regulatory approval, we will be combining our business with NFP Ireland Consultants Limited (NFP IC). This move is to reflect us becoming part of the bigger NFP group which we joined in 2024.

We're now backed by a top global insurance and benefits Broker, who are part of the Aon Group, with all the capability this now brings to ensure we can meet your needs in an increasingly complex environment.

What you need to do?

Under the Consumer Protection Code, we are required to provide you with at least two months' notice of this transfer of business. You have the right to object to the transfer of your business up until May 31st 2025. The migration to NFP IC will be completed on or soon after the objection period ends. You do not need to do anything, and we will write to you when the transfer is complete. If you wish to object, please contact me at benefitsrebrand@nfpireland.ie to discuss your options.

What changes will you see?

We'll be changing our website and email address, documentation will contain the NFP brand, and the company name on all correspondence will change. Additionally, our previous email addresses and website will automatically redirect to the new ones.

What will and what won't change?

While this is key milestone, the HC Financial team that services you, and our core values, remain the same. This move will not only enable us to continue to provide the solutions and strategies that meet your business needs, it will also provide access to a broader range of products and services through our increased connections. All our clients will migrate across to NFP IC as the new legal entity and we are currently progressing through regulatory approval. As part of this process, your details will be transferred to NFP IC. If you have access to an insurance provider portal, please be assured that there will not be any changes to how you currently access this.

We have attached the NFP IC's data processing agreement. NFP IC's Terms of Business and Privacy Policy is available at nfpireland.ie/terms-of-business. When the transfer is complete these will replace the equivalent documents that were supplied by HC Financial Limited at the outset of your engagement with them.

We request that you copy the attached communication to your scheme members on receipt of this letter.

Looking to the future

The team are very much looking forward to continuing to work with you, and if you have any questions about these changes, please don't hesitate to contact our team as we would be very happy to talk through any queries you have.

Yours sincerely,

A handwritten signature in black ink that reads 'Gerry Cuddy'.
